Turgovi shto

1. A military barracks is located in east Turgovishte. There was no sign of life around this barracks and only two artillery officers were seen in Turgovishte.

Turnovo

- 2. A small arms firing range is located two kilometers from Turnovo to the right of the road from Turgovishte.
- 3. A radio station consisting of about five or six metal antenna towers 10=12 meters high and an operations building about eight meters square is located about one kilometer from Turnovo on the left of the road from Turgovishte.
- 4. A large barracks, which still shows traces of camouflage probably dating from the war, is located near the southern railroad tunnel of Turnovo. Assecond smaller barracks is located near the northern railroad tunnel and appears to be occupied by artillery troops.
- 5. Five or six long partially-underground structures on a hill north of Turnove may be munition-storage depots. They are located about 1,500 meters east of the Balkanturist Hotel. A large factory without a smoke stack is 300 meters north of them.

<u>Sevlievo</u>

6. No permanent military installation appears to be in Sevlievo, and only one battery of artillerymen and several trucks were seen here.

Lovech

- 7. An airfield is located west of Lovech on the road to Pleven. Three old reciprocating biplanes were parked of the road and not on the airfield itself.
- 8. Sketches of military installations in Turgovishte, Turnovo, and Lovech are on page 2.
